

# JWG's data feed: fast, global, high fidelity, trusted, proven

	RegDelta's unique benefits	Competitors limited by
<p><b>Platform:</b> Expert living NLP model with over 5,000 terms built on 10+ years of extensive research enabling <b>easy alignment to polices and controls</b></p>	✓ <b>600+ Legislative initiatives</b>	✗ Brittle metadata structures (not tailorable)
	✓ <b>5,000+ regulatory topics</b>	✗ Limited 'living' human intelligence (outdated)
	✓ Addition of bespoke themes (e.g., US persons)	✗ Deep in a few pockets (maybe)
	✓ Seamless ontology upgrades with upward document compatibility	✗ Generally lacking broad reg insight
	✓ Themes tracked globally against RegRadar services	✗ Unable to track themes globally
<p><b>Data:</b> JWG Provides the most comprehensive and relevant coverage and finely tuned model <b>which eliminates expensive noise</b></p>	✓ 612,000 events from 700+ regulatory publishers in 2021. By year-end we converted 28,000 documents with 138 million words describing 634 legislative initiatives.	✗ Small scopes
	✓ 5,300 URLs from <b>900+ regulatory sources</b> - tailored by <b>doc type</b> from <b>60 Countries</b>	✗ Hard to add new sources/ documents
	✓ Translations from <b>18+ Languages</b> into standard English document summary metadata	✗ Noisy, false positives, untrusted full text translations
	✓ Fast turnaround on ad hoc tracking and document uploading requests	✗ Limited viability of automated document comparison
	✓ Weekly MI from dedicated support team	✗ Limited MI/ support
<p><b>Operating model:</b> Fast, high quality and scalable: Battle tested operating model across UK and Kenya with <b>lightening fast SLAs</b></p>	✓ <b>100% of documents</b> the <b>same day</b> ; 70% full text	✗ Limited formatting, basic text only
	✓ Best in class <b>XML formatting</b> with style sheets	✗ Missing documents/ file formats
	✓ Extensive, tailored <b>quality control</b> reporting	✗ Late delivery vs. high SLA
	✓ NLP filtering of high-volume sites as <b>VIP service</b>	✗ Lacking quality controls/ reporting
	✓ Highly <b>trained</b> and <b>client-oriented team</b>	✗ No management oversight/ reporting
